Statement by Nemak about the protest and illegal blockade established by Unifor

WINDSOR, ONTARIO, CANADA, September 3, 2019 — Nemak is disappointed that Unifor decided to organize an illegal stoppage to our operations, and will pursue an application with the Ontario Labor Relations Board to cease Unifor's blockade.

Since the announcement on July 16 of the plant closure to become effective mid-year 2020, the Company's leadership has been in constant contact with the union officials, actively working to create a transition plan for employees.

Nemak is in favor of re-establishing a constructive dialog with its employees and their representatives.
