

Press Release

Nemak included in Dow Jones Sustainability Indices

MONTERREY, MEXICO. September 18, 2019. - Nemak, S.A.B. de C.V. ("Nemak") (BMV: NEMAK), a leading provider of innovative lightweighting solutions for the global automotive industry, announced today that it has earned a place on the Dow Jones Sustainability MILA Pacific Alliance Index (DJSI MILA Pacific Alliance), which recognizes companies with leading economic, social, and environmental practices in Latin America.

Nemak will be the only company from the automotive sector to be included in this year's DJSI MILA Pacific Alliance.

"We are honored to receive this important recognition of our environmental, social, and governance practices. Through our Sustainability Model, we aim to drive change in the automotive industry alongside our customers towards a more sustainable mobility," said Armando Tamez, CEO of Nemak.

###

About Nemak

Nemak is a leading provider of innovative lightweighting solutions for the global automotive industry, specializing in the development and manufacturing of aluminum components for powertrain and body structure applications. In 2018, it generated revenues of US\$4.7 billion. For more information about Nemak, visit www.nemak.com
